## OUR MISSION

We are innovative digital IT transformation experts committed to providing an ever-ready IT infrastructure to meet the needs of all Federal agencies through agile acquisition. We care deeply about what we do and the impact we have with our Federal clients and tribal communities.

# We Are Yup'ik.

Central Alaskan Yup'ik is the largest of the state's Native cultures, both in the size of its population and the number of speakers. We call ourselves "Yupiit", or real people.
